Facility Application

The Mercedes-Benz Superdome has recently undergone a major transformation, presenting a new and improved New Orleans landmark to the local community and national audience. Continuous enhancements and upgrades make this facility one of the finest domed stadiums in the world. Adjacent to the New Orleans Arena and within close proximity to downtown, the French Quarter and thousands of hotel rooms, the Superdome is the premier facility for hosting a wide array of events including private or public concerts, special events, general sessions, banquets, conventions, trade shows and sporting events. The Mercedes-Benz Superdome is owned by the State of Louisiana and privately managed by SMG.

Purpose

This is an application for lease of the Mercedes-Benz Superdome by potential users who have not established financial or event experience rating in the promotion of events with the Mercedes-Benz Superdome. This is not a contract for facility space or dates, yet the information included in the Application is essential for the Mercedes-Benz Superdome in the event a contract is constructed.

This document is an application and does **not** bind either party. SMG, the Mercedes-Benz Superdome, and the applicant agree that no publicity about any proposed program will be made public until a formal contractual agreement has been executed by both parties.
